Dear Teacher or Parent,

**T**hank you for choosing our preschool study, *Exploring God's Love*. Here at Positive Action Bible Curriculum, **it is our prayer that your students will grow in their knowledge of God and their love for Him as they discover the majesty of His glory.** This study will introduce your students to one aspect of that glory—the amazing love of God. They will follow God's loving plan from the creation of the world to its climax in the life, death, and resurrection of Jesus Christ, His Son. If we can be a help to you in this study or future studies, don't hesitate to contact us.

# 6 God Made . . .

Trace the number 6. Then paste the animals and Adam and Eve on the land.

# God's One Rule

Finish coloring the picture of the Garden. Then cross out the one tree that Adam and Eve were not supposed to eat from.

# God's Rule Is Broken

Find and circle the snake hiding in the tree. Draw sad faces on Adam and Eve to show how sad they feel about breaking God's rule.

# Where Are You?

Follow the paths to see where Adam and Eve are hiding. Circle Adam and Eve when you find them.

# Results of Sin

Use a red crayon to circle the pictures that remind us of God's loving plan. Use a black crayon to circle the pictures that remind us of the results of sin.

# Away from Home, Away from God

Paste the angels by the Garden to guard the entrance. Then color Adam and Eve.
