Dear Teacher or Parent,

Thank you for choosing our preschool study, *Exploring God's Love*. Here at Positive Action Bible Curriculum, **it is our prayer that your students will grow in their knowledge of God and their love for Him as they discover the majesty of His glory.** This study will introduce your students to one aspect of that glory—the amazing love of God. They will follow God's loving plan from the creation of the world to its climax in the life, death, and resurrection of Jesus Christ, His Son. If we can be a help to you in this study or future studies, don't hesitate to contact us.

Your friends at Positive Action Bible Curriculum

God Can Make Anything

Color the mountains and the elephant gray. Then color the butterfly and the bumblebee yellow.

God Made . . .

Trace the numbers 1, 2, and 3. On day 1, color the day yellow and the night black. On day 2, color the water blue. On day 3, color the land green.

God Made

Trace the numbers 4, 5, and 6. On day 4, paste the sun in the day and the moon and stars in the night. On day 5, paste the birds in the sky and the fish in the water. On day 6, paste the animals on the land.

4

5

6

God Made . . .

Trace the number 6. Then paste the animals and Adam and Eve on the land.

God's One Rule

Finish coloring the picture of the Garden. Then cross out the one tree that Adam and Eve were not supposed to eat from.

God's Rule Is Broken

Find and circle the snake hiding in the tree. Draw sad faces on Adam and Eve to show how sad they feel about breaking God's rule.
