Book

LESSON 1

God's Miracle Book

VOCABULARY

Doctrine: the principles or teachings of a belief or religion

Rebuke or reprove: to criticize or find fault

Seldom does any book have the name of more than one or two authors. But the Bible was written by dozens of authors over a period of 1,600 years. The authors were poets, educators, singers, princes, kings, fishermen, and statesmen. Some were great scholars, while others were unlearned and ignorant men.

 Each author wrote material that perfectly fits into one book—one story. Why is this true according to 2 Peter 1:21? _____

This means that God planned how to make the Bible fit together to tell the big story that He wanted to tell, even though the human authors may have only seen small pieces of that story.

How long will the Bible last?

 Isaiah 40:8 _____

 Matthew 24:35 _____

 1 Peter 1:23 _____

Life Principle: The Bible, penned by many authors over a period of many centuries, is a miracle book because it was truly written by God Himself.

It is more important than any book you will ever own because after all other books have been destroyed, the Word of God will continue to exist. Never take your Bible for granted because it is God's Word to man in written form. Your Bible is truly the Word of God!

The Results Of Sin

Boys and girls, sin always brings bad results. There were results of sin for Adam and Eve.

Life Principle: God had warned Adam and Eve of the results of sin, but they chose not to obey. Because of their sin, there have been consequences for all of us.

 In the following verses from Genesis 3 and 4, you will see many results of sin that are still part of our lives today:

- Read Genesis 3:6–7. The first thing that Adam and Eve felt was guilt. Adam and Eve had never felt this before because they had never sinned before. Guilt is a feeling that comes when we have disobeyed God in some way. Our conscience and the Holy Spirit convict us of sin. When God called out to Adam and Eve, they knew they had sinned, so they felt guilty. They did not have the same relationship with God that they had enjoyed before, and they knew the difference was very great.
- Read Genesis 3:8–10. Adam and Eve’s eyes were opened. They realized they were naked, so they tried to hide themselves from God. When God called out to Adam, he said he hid because he was _____.
- Next God asked Adam why he had eaten the fruit. What was Adam’s response?

This covenant was not only to Abraham but to the descendants of Abraham as well. This was an important promise, because God intended to bring His Son into the world through the descendants of Abraham.

Life Principle: God always keeps His promises to those who obey His Word.

The life of Abraham was based on obedience to the commands of God and great blessings from God. There were several times when Abraham sinned. Once he lied and said his wife, Sarah, was his sister. Another time, he tried to fulfill God's promise of a son by having a child with his wife's servant. In both these instances, Abraham had severe problems because of his disobedience. But overall, Abraham's life was greatly blessed by God because he trusted God.

Conquering The Enemy

When God promised an heir to Abraham and Sarah, it was to be twenty years before the promise was fulfilled. Instead of waiting and trusting God, they planned a way for Abraham to become a father to Sarah's maid's child. Ishmael was born of Sarah's handmaid, Hagar. But God still kept His promise, and Isaac was finally born. Later, God tested Abraham's faith by asking him to sacrifice this son. Abraham did not understand God's reasoning at first, but he did not trust his own understanding. He obeyed God because he trusted God.

God will test your faith many times also. Do you trust God enough to obey Him in all things? Think of some ways in which it is difficult for you to obey, but you can see that they might be ways in which God is testing your faith.

God wants you to learn a lesson from Isaac as well. Isaac was obedient to his father even if it would have meant death. God wants us to love, respect, and obey our parents in all things even if we do not understand. If we are obedient to our parents, then God will bless our lives. Read Genesis 26:12–14 and tell how God blessed this obedient and loving son.

Isaac received one hundred times as much as he sowed on his land. He became rich and had many servants.
